TRAVEL MANAGEMENT GROUP PLC

professional sports travel management

INTRODUCTION

At TMG Sport we have been working with professional UK football clubs since our inception back in 1986.

In this time we've **managed official overseas travel logistics on over 300 occasions**, partnering with 40+ teams for travel on pre-season tours, mid-season training breaks as well as UEFA competition fixtures (including 7 UEFA finals and all 6 Barclays Asia Trophy tournaments).

WHY PARTNER WITH TMG SPORT WHEN PLANNING A TRAINING BREAK?

- Vast and specific professional football travel experience
- Knowledge of football's unique demands; excess baggage, last minute traveller changes, demand for the highest quality facilities, specific dietary requirements and standards
- Every football club is different; we deliver a flexible service and product to meet the precise demands of your Club and management team. We start by finding the ideal destination based on your needs, budget, weather etc. and then build the your tailored training break programme from there
- First class, 24/7 service with an unrivalled pedigree and sports travel reputation
- We'll remove all the administrative burden from you
- Experts at negotiating and delivering the very best pricing for group travel
- Backed by the significant buying power of parent Travel Management Group plc

In the following page we highlight some of the most popular training break destinations. If you'd like to find out more or, equally, if none really hit the mark for what your Club is after then please get in touch as we'd be delighted to discuss your requirements further.

FLIGHTS

Given the fluid nature of airline pricing we have not included flights within our pricing but it is certainly an area where we can assist.

SCHEDULED AIRLINES

As a sign of the buying power we hold within the Sports Travel Industry we hold specially negotiated rates with the following:

Air Canada, Air Europa, Air France, Air India, Alitalia, American Airlines, Austrian Airlines, British Airways, Brussels Airlines, Cathay Pacific, China Eastern, Delta, Emirates, Etihad, Eva Air, Finnair, Japan Airlines, Jet Airways, KLM, LAN, Lufthansa, Qantas, Qatar Airways, SAS, Singapore Airlines, South African Airways, Thai Airways, Turkish Airlines, United and Virgin Atlantic.

In addition to the above we work with all carriers including "no-frills" airlines such as Ryanair, easyJet and flybe.

Our team are experts in negotiating the very best group flight rates and will manage every flight aspect for you:

- Fare negotiation and contracting
- Management of payment schedules
- Management of flight manifests; name changes, attrition/ deviation rates etc
- Special Dietary requests
- Management of excess baggage requirements
- Management of unusual baggage requirements (medical equipment etc)
- Special Group Check-In Desks
- Airport Lounge Access
- Visa procurement

PRIVATE CHARTER

If you have a preference for flying by privately chartered plane or, if you would just like to compare the pricing and benefits vs flying on a scheduled carrier then we we source the very best options for you.

As a business we charter a large number of aircraft each year on behalf of our sporting clients as well as those within the wider business world (Audi, Nissan, Peugeot, Volvo....) meaning we have the knowledge and expertise to find the right aircraft for you at the right price.
